

Order number: 20410042

Open text field 1:

- For connection of a TV set or multimedia device to an antenna socket
- Completely installed with straight-through IEC connector and IEC socket
- Screening 105 dB, Class A+

Hersteller: Kathrein

## ETH 1500

### Product information "ETH 1500"

Connection cable 1.5 m - Screening 105 dB - Class A+ - IEC socket-straight-through IEC connector;

|   |   |
|---|---|
| Type:   | ETH 1500  |
| Order no.:  | 20410042  |
| Centre conductor:                                 | 0,8 Cu mm   |
| Insulation:                                       | 3,55 PE mm  |
| Outer conductor:                                  | 2 x Al-foil 1 x CuSn mesh                                 |
| External sheathing:                               | 5 (white) mm  |
| Bending radius single/multiple:                   | 30 mm   |
| Screening loss 30-1006 MHz:                       | > 105 dB  |
| Screening loss 1006-2000 MHz:                     | > 95 dB   |
| Screening loss 2000-2,400 MHz:                    | > 85 dB   |
| Coupling resistance 5-12 MHz:                     | < 2,5 mΩ/m  |
| Coupling resistance 12-300 MHz:                   | < 0,9 mΩ/m  |
| Frequency range:                                  | 0-2400 MHz  |
| IEC connector (m)/socket (outer/inner conductor): | Brass (white bronze coating) colour coding with blue ring |
| Length:   | 1,5 m   |
| Packaging unit/weight:                            | 1 (200)/0.05 pc/kg  |
